

# **KLEBERG COUNTY APPRAISAL DISTRICT**

## **2022 ANNUAL REPORT**

### **Introduction**

The Kleberg County Central Appraisal District “KCAD” is a political subdivision of the State of Texas created by the Texas Legislature in 1979. The operations of the district are governed by the Constitution of the State of Texas, the Texas Property Tax Code, and the rules of Texas Comptroller’s Property Tax Assistance Division.

KCAD is responsible for the appraisal of all property in Kleberg County for ad valorem purposes and the administration of all local option and State mandated property tax exemptions.

### **Mission**

The mission of the Kleberg County Central Appraisal District is to discover, list and appraise all property located within the boundaries of the district in an accurate, ethical and impartial manner in an effort to estimate the market value of each property and achieve uniformity and equity. This will be accomplished by maintaining the highest standards in appraisal practices and law by developing personnel who are professional and knowledgeable and operate under the standards of:

- The Property Tax Assistance Division of the Texas Comptroller’s Office
- International Association of Assessing Officers (IAAO)
- The Uniform Standards of Professional Appraisal Practice (USPAP)

## **Governance**

The Appraisal District operations are governed by the Board of Directors whose members are elected by the voting taxing units every two years.

### **Term of Office and Vacancy:**

CAD directors serve two-year terms. Each term begins on Jan. 1 of an even-numbered year. The two-year term of office does not apply to the county TAC who serves as a nonvoting director.

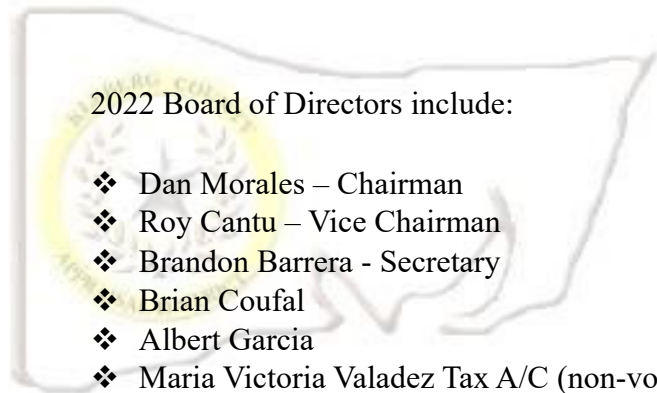

Board members may not receive compensation for service on the board but are entitled to reimbursement for actual and necessary expenses incurred in the performance of their duties. This reimbursement is as provided by the budget adopted the board of directors. If a vacancy occurs on the board, each taxing unit nominates by resolution a candidate to fill the vacancy. Within 45 days after receiving notice from the board of directors that a vacancy exists, a taxing unit must submit the nomination to the chief appraiser. The chief appraiser delivers a list of the nominees to the directors within the next five days. Directors select by majority vote on of the nominees to fill the vacancy.

### **Meetings:**

At the board of directors' first meeting each calendar year, the board must elect from its members a chairman and a secretary. A nonvoting TAC may serve as chairman or secretary. A majority of the CAD board of directors constitutes a quorum. A Tax Assessor Collector who is a non-voting member is counted in determining the presence of a quorum.

The board may meet at any time at the call of the chairman. Kleberg County Appraisal District's Board of Directors has determined by board rule that they may have a scheduled monthly meeting on every 2<sup>nd</sup> Thursday at 3:00 p.m. They have also determined by board rule that they reserve the right to reschedule the meeting at their discretion. The board rule also provides that the board must meet at least once each calendar quarter.

The board must provide reasonable time at meetings for public comment on CAD and ARB policies and procedures.

### **Appraisal Review Board**

Kleberg County Administrative Judge appoints appraisal review board (ARB) members. Kleberg County Appraisal District Board of Directors provide the budget for the appraisal review board operations as authorized by statute, but they have no authority over how the ARB conducts its business and, in fact, are prohibited from communicating with the ARB concerning matters that could be the subject of hearings except as authorized by law. The ARB is a board of citizens that is a decision making body that issues determinations of statutorily authorized protests and challenges brought by property owners and taxing units. ARB members are not a party to the protest. ARBs are appointed

to act independently of the appraisal district and to make fair and impartial determinations. ARBs only have the authority specifically given by statute. Although an appraisal district provides staff to the ARB for clerical assistance, the ARB maintains an independence from the board of directors and appraisal district staff, including the chief appraiser.

### **Pay And Training For ARB Members**

When setting its budget, the appraisal district board of directors must include amounts for appraisal review board per diem payments and expense reimbursements. Specifically, ARB members (not auxiliary members) are entitled to be paid by the day (per diem) for each day the board meets. Kleberg County Appraisal District pays the ARB \$50 per ½ day and \$100 for a full day. They are also entitled to reimbursement of actual and necessary expenses incurred in the performance of their official duties.

The Comptroller's office must approve curricula, provide materials and supervise the training of ARB members. ARB members are not allowed to participate in hearings until they complete the Comptroller's training course and a statement agreeing to comply with Tax Code requirements during hearings. If the ARB member is appointed *after* the Comptroller's office has offered the ARB training courses for that year, the ARB member may participate in hearings but must complete the new member training course at the first opportunity after the appointment. During the second year of an ARB member's term, the ARB member must complete the Comptroller's continuing education training course and complete a statement agreeing to comply with Tax Code requirements during hearings. An ARB member who fails to timely complete the course, is not eligible to participate in hearings, vote on a determination of protest or be reappointed to an additional term. ARB members must complete the Comptroller's continuing education training course and complete a statement agreeing to comply with Tax Code requirements in each year they serve. The appraisal district's board of directors provides for budgeting of ARB training as part of the appraisal district annual budget.

The Tax Code provides that certain communication about the training course is prohibited. Except during a hearing or other ARB proceeding, the following persons cannot communicate with the ARB regarding the Comptroller's training course, or any matter presented or discussed during the course:

- the chief appraiser;
- other appraisal district employees;
- a director of the appraisal district;
- an officer or employee of a taxing unit served by the appraisal district; and
- an attorney who represents (or whose firm represents) the appraisal district or taxing unit.

#### **2022 Appraisal Review Board Members Include:**

- ❖ D'yan Lopez-Garza – Chairman
- ❖ Jennifer Herrera – Vice Chairman
- ❖ Tadeo Reyna – Secretary
- ❖ Jack Shorter
- ❖ Vicki Yarbrough

#### **Agricultural Advisory Board**

The Agricultural Advisory Board is a four-member board appointed by the Chief Appraiser with the advice and consent of the Board of Directors. Responsibility of the Agricultural Advisory Board is to advise the Chief Appraiser on the valuation and use of land that may be designated for open-space agricultural valuation within the district's boundaries and to assist in determining typical practices

and standards used in various farming operations. The board serves at the will of the Chief Appraiser. The agricultural advisory board members must be landowners of the district whose land qualifies for appraisal under Subchapter C, D, E, or H, Chapter 23 and who have been residents of the district for at least five years. Members of the board serve for staggered terms of two years. In making the initial appointments of members of the agricultural advisory board, the chief appraiser shall appoint for a term of one year one-half of the members, or if the number of members is an odd number, one fewer than a majority of the membership. The board shall meet at the call of the chief appraiser at least once a year. An employee or officer of an appraisal district may not be appointed and may not serve as a member of the agricultural advisory board. A member of the agricultural advisory board is not entitled to compensation.

**2022 Agricultural Advisory Board Members Include:**

- ❖ Angel Gonzalez, Jr. - Chairman
- ❖ Verl Cash - Vice-Chairman
- ❖ Michael Yeary
- ❖ Victor Saenz

**Exemption Data**

Kleberg County Appraisal District is responsible for the administration of all property tax exemptions granted. The most common exemption a property owner qualifies for is the Homestead Exemptions. These exemptions include mandated homestead exemptions, optional homestead exemption, over-65 exemptions, over 55 surviving spouse exemptions, disability exemptions and 100% disabled Veterans homestead exemptions. In order to qualify for the Homestead Exemption the property owner must **own and reside in** the residence on January 1 and the owner or spouse claims **no other** Homestead Exemption. In January of each year, the district mails Homestead Exemption applications to property owners who **may** qualify for this exemption. The application must be completed and returned to the appraisal district by April 30. A property owner who turns 65 any time during the year qualifies for the Over 65 exemption as if they had it all year and can apply for the exemption anytime during the year after the property owner turns 65. A property owner may file a late homestead application if it is filed no later than two years after the delinquency date for the taxes on the homestead.

The following is a list of taxing units that offer the Homestead/Over 65/Disabled Persons Exemptions and 100% Disabled Veteran’s Homestead exemption for the year of 2022.

**Ratio Study Analysis – Property Value Study**

The property tax code requires that the Property Tax Assistance Division of Texas Comptroller Office conduct an internal ratio study in each appraisal district biannually to determine the degree of uniformity of and the median level of appraisal with each major property category in each school district. The districts values must be within the 5% margin of error of the state’s ratio study in order for the Comptroller to certify local value to the Commissioner of Education for school funding. For 2022, Ricardo I.S.D. and Santa Gertrudis I.S.D., School District’s in the boundaries of Kleberg County, **received certified local value. Kingsville I.S.D., also a school district in the boundary of Kleberg County did not receive local value but state value. The Kingsville I.S.D. study reflected Single-Family, Multi Family, Acres Qualified for Open-Space Land, Real Commercial, and Utility Properties were appraised below the needed value and ratio determined by the Texas Comptroller.**

Riviera I.S.D. also a school district in the boundary of Kleberg County, also did not receive local value but state value. The Riviera I.S.D. study reflected that Single-Family, Acres Qualified for Open-Space Land, Non-Ag Land and Improvements and Real Commercial properties were appraised **below** the needed value and ratio determined by the Texas Comptroller study.

The Comptroller Property Value Study is available on the Texas Comptroller Website.

### **2022 Protest Data**

The Property Tax Code requires the Appraisal District to send a letter formed Notice of Appraised Value for properties:

- Reappraised in the current year
- Change of ownership during the preceding year
- Agent or property owner makes a written request for the notice
- New property that was included for the first time on the appraisal rolls
- The owner filed a property rendition statement
- The property has been annexed or de-annexed to a taxing jurisdiction
- Homestead Exemption Possible Qualification (Properties that have property address being the same as the mailing address but has no exemption at the time of notices)
- Canceled Exemptions
- Account number change
- Any change in value from prior year

In compliance with the Property Tax Code the district prepared and delivered Notice of Appraised Values for all properties in Kleberg County for 2022 who met the criteria above. Notices were sent on approximately:

- ▣ 16,659 Accounts - Real, Mobile Home, Commercial and Business Personal Property accounts, Homestead Exemption Qualification Notices, Canceled or Removed exemption Notices
- ▣ 5,131 – Mineral, Industrial and Utility accounts

From the notices that were mailed the district received:

- ▣ 510 Protest On - Real, Mobile Home, Commercial and Business Personal Property, Mineral, Industrial and Utility

### **2021 Methods and Assistance Program**

In 2009, the Texas Legislature enacted a new law that amended Tax code Section 5.102. It requires the Comptroller of Public Accounts to review appraisal districts every two years. This is called the Methods and Assistance Program. This review is designed to determine whether appraisal districts are meeting minimum requirements for performing statutory and appraisal duties. This review is conducted in accordance with Tax code Section 5.102(a), effective Jan 1, 2010, and related Comptroller rule 9.301. The Comptroller is required by statute to review appraisal districts for governance; taxpayer assistance; operating procedures; and appraisal standards, procedures and methodology.
